

AVP/VP FINANCIAL REPORTING

REPORTING TO: CHIEF FINANCIAL OFFICER

Role Overview

Genesis Aircraft Services are seeking to appoint an AVP/Vice President of Financial Reporting and Tax (title dependent on experience). This role is based in Genesis' Head Office in Dublin, Ireland.

The AVP/VP Financial Reporting will be responsible for the overall financial reporting and tax function within the finance team and will lead a team of four finance professionals.

This is an excellent opportunity for the preferred candidate to grow and develop the financial reporting function within a well-positioned aircraft leasing company, partner with an experienced team of aircraft leasing professionals and interact with strong long-term shareholders.

Role and Responsibilities

General

- Lead the financial reporting and tax team in line with the values of our company to ensure timely and accurate preparation and delivery of financial reports to the CFO and the wider organisation
- Develop and grow an ambitious team of finance professionals to achieve company goals and individual goals and objectives
- Partner with heads of department to ensure proper revenue and cost management in the business
- Maintain relationships with key stakeholders of the finance department
- Support the deal team and management team on ad-hoc projects as they arise

Financial Reporting & Control

- Oversee the preparation of and review consolidated and single entity monthly management accounts of the business and all associated funds under IFRS and US GAAP for presentation to CFO
- Monitor and develop KPIs providing detailed analysis of revenue, margins, working capital, cashflow etc.
- Analyse financial information to identify trends and variances to budget
- Develop, maintain and monitor internal controls
- Participate in the annual budgeting process
- Streamline accounting functions and operations to improve operational effectiveness
- Evaluate and manage risk within the financial reporting and tax function
- Co-ordinate the year end audit process and maintain a strong working relationship with external auditors
- Liaise with counterparts in the Treasury and Financial Planning team on an ongoing basis
- Prepare all year end financial statements for approval by the board of directors

Tax

- Oversee the preparation and filling of tax across multiple jurisdictions
- Identify appropriate tax structures to optimise the business with the help of external advisors
- Oversee the preparation and submission of all vat returns across multiple jurisdictions

IT Systems

- Ensure proper systems are implemented and maintained to support the financial reporting and tax functions
 - Identify areas for optimisation by leveraging IT and IT solutions
 - Work with IT providers to provide automated reporting and solutions
-

Skills and Experience

- 8+ years Post Qualified Accounting Experience
 - Aircraft leasing experience preferable but not essential
 - A Bachelor or Master's degree from an internationally recognized academic institution in a relevant discipline
 - Relevant professional accounting qualification required (ACA, ACCA)
 - Proven previous experience managing and developing a team
 - Ability to interact comfortably and effectively at all levels within the organization including Leadership Team
 - Strong excel skills required, NAV/SQL experience beneficial but not essential
 - Excellent numerical and analytical skills, combined with strategic thinking
 - Excellent written and oral communication skills
 - Strong presentation skills; both written and verbal;
 - Extraordinary attention to overall quality of the final product
 - Excellent time management and organizational skills
 - Proven ability to adapt in a daily changing environment and to operate as a strong team player
 - Takes initiative, self-motivated and resourceful
-

Genesis Aircraft Services is an equal opportunities employer
